SELECTED CITY · COMPARE WITH

Kropyvnytskyi · base

## Results by sub-index

City results across six sub-indices and the city's European City Index scores. The difference is shown relative to the selected city.

| SUB-INDEX | KROPYVNYTSKYI |
|---|---|
| Openness | 51,0 |
| E-services | 45,0 |
| Open data | 35,3 |
| Public finance | 46,0 |
| Integrity and anti-corruption | 53,0 |
| Accountability | 33,0 |
| European City Index | 44,0 |

## By indicator · Openness

Score and completion status of each indicator for the selected items; averages show the mean score of the group's cities.

| NO. | INDICATOR | KROPYVNYTSKYI |
|---|---|---|
| | Sub-index indicators fully implemented | **22** of 40 |
| 01 | Is there a dedicated page on the Charter of the territorial community on the city council's official website, outside the Documents section? | ● **2** |
| 02 | Does the dedicated page on the Charter of the territorial community contain the full, up-to-date version of the document, together with information on its approval and amendments? | ● **2** |
| 03 | Is there a dedicated page on the Rules of Procedure of the city council on the city council's official website, outside the Documents section? | ● **2** |
| 04 | Does the dedicated page on the Rules of Procedure of the city council contain the full, up-to-date version of the document, together with information on its approval and amendments? | ● **2** |
| 05 | Are the city council's decisions published on the city council's official website? | ● **2** |
| 06 | Are the executive committee's decisions published on the city council's official website? | ● **2** |
| 07 | Are the mayor's orders published on the city council's official website? | ● **2** |
| 08 | Are the minutes of city council meetings, including voting results, published on the city council's official website? | ● **0** |
| 09 | Are the minutes of executive committee meetings, including voting results, published on the city council's official website? | ● **3** |
| 10 | Are the minutes of standing committee meetings, including voting results, published on the city council's official website? | ● **3** |
| 11 | Are city council meetings (sessions) announced at least one day in advance on the city council's official website? | ● **0** |
| 12 | Are executive committee meetings announced at least one day in advance on the city council's official website? | ● **0** |
| 13 | Are standing committee meetings announced at least one day in advance on the city council's official website? | ● **0** |
| 14 | Do the announcements of city council meetings (sessions) contain: a) date; b) link to the broadcast; c) a link to the agenda / list of issues? | ● **0** |

| NO. | INDICATOR | KROPYVNYTSKYI |
|---|---|---|
| 15 | Do the announcements of executive committee meetings contain: a) date b) link to the broadcast; c) a link to the agenda / list of issues? | 0 |
| 16 | Do the announcements of standing committee meetings contain: a) date b) link to the broadcast; c) a link to the agenda / list of issues? | 0 |
| 17 | Are city council meetings livestreamed, or are video recordings published promptly and no later than the day after the meeting? | 3 |
| 18 | Are executive committee meetings livestreamed, or are video recordings published promptly and no later than the day after the meeting? | 3 |
| 19 | Are standing committee meetings livestreamed, or are video recordings published promptly and no later than the day after the meeting? | 3 |
| 20 | Is an up-to-date Social and Economic Development Program published on the city council's official website? | 3 |
| 21 | Is an up-to-date Territorial Community Development Strategy published on the city council's official website? | 3 |
| 22 | Is there a dedicated section (page) on the regulatory activity of the local self-government body on the city council's official website? | 2 |
| 23 | Are links to the legal regulations in force adopted by the city council and its executive bodies published in the dedicated section (page) on regulatory activity? | 2 |
| 24 | Are links to the up-to-date Plans for Preparing Draft Legal Regulations of the city council and its executive committee published in the dedicated section (page) on regulatory activity? | 2 |
| 25 | Is there a dedicated page with up-to-date information on local taxes and fees on the city council's official website? | 2 |
| 26 | Is there a dedicated section (page) on citizen access to meetings on the city council's official website? | 0 |
| 27 | Does the dedicated section (page) on citizen access to meetings publish instructions with a detailed step-by-step procedure for residents to attend the city council's in-person meetings? | 0 |
| 28 | Does the dedicated section (page) on citizen access to meetings publish instructions with a detailed step-by-step procedure for residents to attend the city council's online (remote) meetings? | 0 |

| NO. | INDICATOR | KROPYVNYTSKYI |
|---|---|---|
| 29 | Is there a dedicated section (page) on the eRestoration program and/or the work of the commission(s) reviewing applications for compensation for real estate damaged/destroyed as a result of hostilities, terrorist acts, or sabotage caused by the armed aggression of the Russian Federation against Ukraine on the city council's official website? | 2 |
| 30 | Does the dedicated section (page) on the eRestoration program and/or the work of the compensation commission(s) for damaged/destroyed real estate contain up-to-date, city-council-level aggregated statistics on: 1) the total number of decisions adopted on granting compensation for damaged property; 2) the total number of approvals of compensation for damaged property; 3) the total number of refusals of compensation for damaged property; 4) the total amount of compensation calculated under the decisions granting compensation for damaged property? | 0 |
| 31 | Does the dedicated section (page) on the eRestoration program and/or the work of the compensation commission(s) for damaged/destroyed real estate contain up-to-date, city-council-level aggregated statistics on: 1) the total number of decisions adopted on granting compensation for destroyed property; 2) the total number of approvals of compensation for destroyed property; 3) the total number of refusals of compensation for destroyed property; 4) the total amount of compensation calculated under the decisions granting compensation for destroyed property. | 0 |
| 32 | Does the dedicated section (page) on the eRestoration program and/or the work of the compensation commission(s) for damaged/destroyed real estate contain links to the commission(s)' meeting minutes / decisions that specify the amounts of compensation granted? | 0 |
| 33 | Is there a dedicated section (page) on humanitarian aid on the city council's official website or another specialized website? | 0 |
| 34 | Does the dedicated section (page) on humanitarian aid contain a link to the current Procedure for Receiving and Distributing Humanitarian Aid? | 0 |
| 35 | Does the dedicated section (page) on humanitarian aid contain a List of Recipients of humanitarian aid (city council departments, municipal enterprises, and municipal institutions), their full names, and their USREOU codes? | 0 |
| 36 | Is there a dedicated section / guide on the city council's official website or another specialized website with up-to-date, structured information for defenders concerning: a) rehabilitation (medical, psychological, etc.); b) professional adaptation; c) financial support; d) support for defenders' family members; e) benefits? | 0 |
| 37 | Is there a dedicated section on the city council's official website or another specialized website with up-to-date, structured information for internally displaced persons (IDPs) concerning: a) housing for IDPs; b) employment for IDPs; c) services for IDPs (medical, educational, legal, etc.); d) humanitarian aid for IDPs; e) the work of the IDP Council? | 2 |

| NO. | INDICATOR | KROPYVNYTSKYI |

| 38 | Does the search tool on the website's homepage work correctly for news content? | 2 |
| 39 | Does the search tool on the website's homepage work correctly across various types of content (News, Announcements, Events, Information pages, Legal Regulations, etc.)? | 0 |
| 40 | Are the following provided for users of the city council's official website with visual impairments: a) the ability to enlarge text without a horizontal scroll bar appearing; b) sufficient color contrast between text and background (a contrast ratio of at least 3 for headings and 4.5 for body text); c) alt text for every image; d) screen-reader compatibility? | 2 |

Indicator completion statuses: Implemented Partially implemented Not implemented

## By indicator · E-services

Score and completion status of each indicator for the selected items; averages show the mean score of the group's cities.

| NO. | INDICATOR | KROPYVNYTSKYI |
|---|---|---|
| | Sub-index indicators fully implemented | **18** of 40 |
| 01 | Has the city council published its current Informatization Program on its official website? | ● **5** |
| 02 | Is there a separate specialized city council website / a separate section of the city council's official website / a separate block on the home page of the official website dedicated to electronic services, containing working links to the available services (at least 7)? | ● **5** |
| 03 | Does the city council ensure the operation of an electronic service for searching the legal regulations it has adopted (by number, keywords, date)? | ○ **0** |
| 04 | Does the city council ensure the operation of a local statistics portal / a separate section of the official website with public thematic dashboards? | ● **3** |
| 05 | Does the city council provide access to an up-to-date interactive map of civil protection shelters? | ○ **0** |
| 06 | Does the city council provide access to an up-to-date interactive map showing the accessibility of urban infrastructure facilities for persons with disabilities? | ● **2** |
| 07 | Does the city council provide access to an interactive map of investment sites (greenfield/land plots, brownfield/industrial premises)? | ○ **0** |
| 08 | Does the city council provide access to an electronic service for searching for medicines/drugs purchased with budget funds in municipal healthcare facilities (e.g., eLiky)? | ○ **0** |
| 09 | Does the city council provide access to an electronic service for searching for medical equipment in municipal healthcare facilities? | ● **2** |
| 10 | Does the city council provide access to an electronic service for tracking the location of municipal public transport in real time? | ● **2** |
| 11 | Does the city council provide access to cashless fare payment on municipal public transport (QR code / contactless NFC payment / virtual transport card)? | ○ **0** |
| 12 | Does the city council provide the option of obtaining a physical cashless transport card? | ○ **0** |

| NO. | INDICATOR | KROPYVNYTSKYI |
|---|---|---|
| 13 | Does the city council provide access to electronic services for drivers (interactive parking map / checking for traffic violations / retrieving towed vehicles / etc.)? | 0 |
| 14 | Does the city council provide access to an electronic service for responsible waste management? | 2 |
| 15 | Does the city council provide access to an electronic service with up-to-date energy management / energy monitoring data? | 0 |
| 16 | Does the city council use a service for conducting e-consultations with the public that, among other things, provides access to an archive of consultations? | 2 |
| 17 | Does the city council use a service for conducting public e-surveys that, among other things, provides access to an archive of surveys? | 2 |
| 18 | Does the city council provide online pre-registration for in-person meetings with the mayor and deputy mayors? | 0 |
| 19 | Does the city council provide access to a universal electronic appeal form with the option to upload files containing additional information? | 2 |
| 20 | Does the city council provide access to a local e-petition service that, among other things, provides access to an archive of petitions? | 2 |
| 21 | Does the city council provide access to a specialized service for submitting electronic applications/complaints about issues requiring a prompt response, with the option to upload files containing additional information? | 0 |
| 22 | Does the existing specialized service for submitting electronic applications/complaints about issues requiring a prompt response allow users to track the status of an application/complaint? | 0 |
| 23 | Does the city council provide access to a service for online enrollment of children in municipal preschool education institutions (PEIs)? | 2 |
| 24 | Does the city council provide access to an electronic service for tracking the waiting list of children for PEIs? | 2 |
| 25 | Does the city council provide access to a service for online enrollment of children in the 1st grade of municipal general secondary education institutions (GSEIs)? | 2 |
| 26 | Does the city council provide access to a service for booking doctor's appointments online? | 2 |
| 27 | Does the city council provide online pre-registration for the Administrative Services Center (ASC)? | 0 |
| 28 | Does the city council's official or other specialized website contain a list of administrative services available for citizens to order online? | 4 |

| NO. | INDICATOR | KROPYVNYTSKYI |
|---|---|---|
| 29 | Does the city council's official or other specialized website contain a list of administrative services for military personnel/veterans available to order online? | 0 |
| 30 | Does the city council's official or other specialized website contain a list of administrative services for businesses available to order online? | 0 |
| 31 | Does the city council's official or other specialized website contain a form for evaluating the quality of the administrative services provided? | 2 |
| 32 | Does the city council provide online pre-registration for the social protection department/division? | 0 |
| 33 | Does the city council's official or other specialized website contain a list of social services available for citizens to order online? | 0 |
| 34 | Does the city council provide access to the electronic services of the Ministry of Social Policy? | 2 |
| 35 | Does the city council's official or other specialized website contain a form for evaluating the quality of the social services provided? | 0 |
| 36 | Does the city council have a comprehensive mobile app with electronic services for residents that was updated in 2024–2025? | 0 |
| 37 | Does the home page of the city council's official website contain a link to a page dedicated to the comprehensive mobile app, with a list of the available services? | 0 |
| 38 | Is there a version of the comprehensive mobile app for Android? | 0 |
| 39 | Is there a version of the comprehensive mobile app for iOS? | 0 |
| 40 | Do users rate the comprehensive mobile app highly? | 0 |

## By indicator · Open data

Score and completion status of each indicator for the selected items; averages show the mean score of the group's cities.

| NO. | INDICATOR | KROPYVNYTSKYI |
|---|---|---|
| | Sub-index indicators fully implemented | **6** of 40 |
| 01 | Is there a separate section (page) on the city council's official website dedicated to the open data of the local self-government body (LSGB)? | **4** |
| 02 | Has a link been published in the separate section (page) dedicated to LSGB open data to the Regulation / Procedure on Open Data approved in 2021–2025 that governs the key aspects of the city council's work with open data? | **3** |
| 03 | Has a link been published in the separate section (page) dedicated to LSGB open data to the internal administrative document that approved, in 2021–2025, the single List of Data Sets Subject to Publication as Open Data (hereinafter, the List)? | **2** |
| 04 | Does the List assign responsibility to specific information managers (executive bodies, municipal enterprises / institutions) for publishing and updating specific datasets? | **1** |
| 05 | Does the List contain information on the update frequency of specific datasets? | **1** |
| 06 | Does the List contain information on the formats in which specific datasets are published? | **1** |
| 07 | Has a link been published in the separate section (page) dedicated to LSGB open data to the internal administrative document designating the person(s) responsible for publishing open data? | **0** |
| 08 | Has a link been published in the separate section (page) dedicated to LSGB open data to the decision to accede to the International Open Data Charter? | **0** |
| 09 | Has a link been published in the separate section (page) dedicated to LSGB open data to the city council's unified electronic account on the Unified State Open Data Web Portal? | **0** |
| 10 | Does the separate section (page) dedicated to LSGB open data contain a list with links to online services built on the datasets that the city council publishes as open data? | **0** |
| 11 | Has the "Lists of legal regulations, specifying the date of entry into force, the timeframe for baseline, repeat, and periodic tracking of their effectiveness, and information on the source of their publication" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | **0,6** |

| NO. | INDICATOR | KROPYVNYTSKYI |
|---|---|---|
| 12 | Has the "Action plan for drafting legal regulations, specifying the types and titles of the drafts, the purposes of their adoption, the timeframes for preparing the drafts, the names of the bodies and units responsible for drafting them, the dates of their submission to the regulatory body for consideration, and a link to the source of publication" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0,6 |
| 13 | Has the "List of construction titles — new construction, reconstruction, restoration, and capital repairs, as well as routine repairs and public amenity improvements" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0,6 |
| 14 | Has the "List of investment agreements, annexes, supplementary agreements, and other materials thereto, and their terms, including links to resources published on the Internet" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0,6 |
| 15 | Has the "Information on vehicles serving passenger bus, trolleybus, and tram routes (make, model, license plate number, passenger capacity)" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0,6 |
| 16 | Has the "Data on the location of urban electric and road transport stops" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0,6 |
| 17 | Has the "Information on medicines/medicinal products purchased with budget funds, information on the distribution of such medicines among healthcare facilities, and their remaining stock at each facility" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0,9 |
| 18 | Has the "Roll-call results of council member's votes at plenary sessions of the local self-government body" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0,6 |
| 19 | Has the "Data on council members of local councils, including contact information and public office hours" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 1,7 |

| NO. | INDICATOR | KROPYVNYTSKYI |
|---|---|---|
| 20 | Has the "Data on green plantings to be removed under issued green planting inspection reports" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0,6 |
| 21 | Has the "Data on the accessibility of buildings for persons with disabilities and other persons with reduced mobility" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0,6 |
| 22 | Has the "Data on appeals received by telephone hotlines, emergency dispatch services, call centers, etc." dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0,6 |
| 23 | Has the "Data on electronic petitions, including the persons who signed them and the outcomes of their consideration" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0,6 |
| 24 | Has the "Data on parking, including the location of parking lots, their operators, equipment, and operation" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0,6 |
| 25 | Has the "Data on administrative services provided" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0,6 |
| 26 | Has the "Data on medical equipment of municipal healthcare facilities" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 1,5 |
| 27 | Has the "Data on waiting lists for children's admission to preschool education institutions" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0,3 |
| 28 | Has the "Catchment areas of municipal general secondary education institutions" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 2,1 |
| 29 | Has the "Data on the registration of citizens in need of improved housing conditions (housing waiting list)" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0,3 |

| NO. | INDICATOR | KROPYVNYTSKYI |
|---|---|---|
| 30 | Has the "Data on the consumption of utilities (electricity, heat energy, natural gas, solid fuel, liquid fuel, cold and hot water, specifying the share of renewable energy sources) by municipal enterprises, institutions, and organizations" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0,6 |
| 31 | Has the "Data on the real-time location of urban electric and passenger road transport, including short-term changes in transport movement and real-time arrival times at stops" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0 |
| 32 | Has the "List of carriers providing passenger transport services by urban electric and road transport, including transport routes" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 2,5 |
| 33 | Has the "Timetable of urban electric and road transport" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 1,21 |
| 34 | Has the "Data on the repair of local public roads" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0,6 |
| 35 | Has the "Data on utility tariffs approved by the local self-government body" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0,3 |
| 36 | Has the "Data on the location of municipal waste containers (by category), container sites, and collection points for hazardous waste and recyclables" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0,6 |
| 37 | Has the "Data on the location of municipal waste management facilities, their area, and the volumes of waste received" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 1,64 |
| 38 | Has the "Data on the location of civil protection shelters" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0,3 |

| NO. | INDICATOR | KROPYVNYTSKYI |
|---|---|---|
| 39 | Has the "Data on the location of charging stations for electric vehicles" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0 |
| 40 | Has the "Data on the operational performance characteristics of buildings of municipal enterprises, institutions (facilities), and organizations in which energy management systems have been introduced" dataset been published in the city council's unified electronic account on the Unified State Open Data Web Portal, and have the Ministry of Digital Transformation's recommendations been followed in publishing it? | 0,9 |
